Filed October 29, 2003

Examiner Joseph Pelham

COOKING ASSEMBLY

REQUEST FOR REISSUED OFFICIAL ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

February 7, 2006

Sir:

It is respectfully requested that the Official Action of January 23, 2006 be reissued in a consistent form.

On page 1, Item 5 of the Official Action, it is said that claims 27-30 are allowed. But on page 2, these same claims are rejected.

On page 1, Item 7, it is said that claim 20 is objected to; but at the top of page 3, claim 20 is rejected on prior art. Then, at the middle of page 3, claim 20 is held to be allowable.

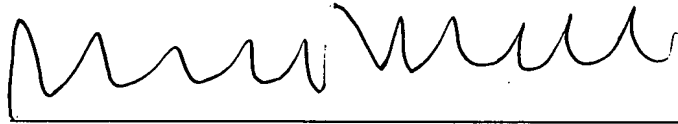

Finally, the Examiner relies on U.S. Patent 3,798,415, but this is not cited anywhere that we can detect.

We cannot report the Official Action to the client until these uncertainties are resolved. Thus, a reissued

Official Action is indispensable, and the same is respectfully requested.

Respectfully submitted,

YOUNG & THOMPSON
